

## Spring Forest Middle School Title I Community Compact

### **As a teacher**

I pledge to:

- Teach *Every Child* to the best of my abilities
- Reach *Every Child* where he or she is and move their education forward
- Plan lessons around the four critical questions of learning:  
What is it we expect students to learn?  
How will we know they are learning?  
How will we respond when they don't learn?  
How will we respond when they do learn?
- Use informal and formal assessments to measure student success
- Use data to respond to achievement, or lack of achievement, to guide my lessons and instruction
- Improve my commitment to our Measures of Success that measure school connectedness through: school climate, safety, belonging, student-teacher relationships, and rigorous expectations
- Commit to the mission and vision of Spring Branch ISD and Spring Forest Middle School that promote a positive learning experience for all stakeholders
